# Is The Skillet REALLY Having Christmas in June???

Okay so it might be in the high 80's and no snow, but you might think that Santa is dropping off presents early. You see, the problem is that I love to save money. So when I was saving money at the last food show I bought a lot of our famous chocolate - chocolate brownie ingredient. I know that does not seem like a problem to you..

The problem is that Dan, my partner in the restaurant did the exact same thing. So this is what we are going to do. **FOR EVERY ORDER THAT YOU PURCHASE MAKE SURE THAT YOU TELL DEB THAT THE BROWNIES ARE ON DAVE FOR YOUR CATERING!!**

Our June Specials are ready to go with delivery and plasticware included. Just tell us where we need to be and you can count on us.

**On Time, Every Time.** Don't forget we take whatever the bank accepts to pay our bills. Cash, MasterCard, Visa, American Express, Discover, Diners Club and checks that are not made of rubber.

## **Check Out The Skillet's June Catering Specials:**

### **Treat The Office to Hot Breakfasts** **\$5.00!!**
